Dear Katie

TESTIMONIAL AND RECOMMENDATION

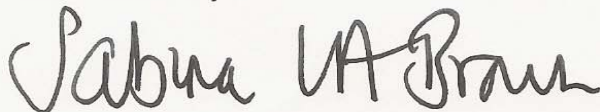

I wanted to put in writing how delighted I am with the results of working with you on my colours, image and style.

Prior to consulting you I thought I looked pretty good, but now I know I can look even better! You have helped me approach presenting myself in an entirely new way. I now understand why I prefer certain styles and how they work for me. I feel far more positive about pursuing MY image rather than what the high street shops dictate.

You have already saved me money and I am excited by the prospect of building up my versatile capsule wardrobe. Our review of my outfits and accessories was revealing and thought provoking. It stirred me into action and by applying your tips and tricks I am able to make the most of my present collection.

I would not hesitate in recommending your very professional services to anyone who wants to make the best of themselves and have fun at the same time.

Yours sincerely

Sabina L A Brown
