Dear Katie

On behalf of St Michael's Hospice, I would like to thank you for your time, enthusiasm, expertise and commitment during 'Look 10 years younger', which is so much appreciated. I can't believe the change in both Andrea and Linda; it genuinely had a huge effect on both their lives. Andrea looks fab! She really is taking a pride in her appearance. She always wears makeup, her hair is always groomed, her clothes are co-ordinated and she just looks great, and not only from the outside! I didn't know Linda before but she has given up smoking and she doesn't even want one – that's an achievement in itself!! You have my vote!!

The three of you made a fantastic team! It was such a wonderful idea and we are well aware of the huge commitment you all made when you became involved. I am so glad the resulting loss of years was so successful – a credit to the whole team.

If you decide to repeat your efforts sometime in the future, you can be assured that we will be promoting the entry very much more widely – very much open to discussion and suggestions.

I enclose a Certificate of Appreciation for you to display and our current Newsletter which I hope will be of interest to you.

Thank you so much again, your support of St Michael's Hospice in this way is very much appreciated.

Best wishes,
